Deepashri Nursing and Rehabilitation Center with Old Age Home

Since there was a more requirement in the community for rehabilitation and geriatric care, On **4th April 2013** this center has established under CADMS Trust.

- This is the unique center in Bangalore started by qualified team of Doctors to accommodate Oldage / Geriatric, Bedridden patients with medical problems like Stroke, Dementia, Hypertension, Heart diseases, Coma, Head injury, Fits, Mental retardation, Parkinsonism, COPD, Pneumonia, Renal & Liver failure etc.
- **50 bedded**-Private, Semi private and Triplet rooms with TV, Toilets in very good calm and decent location.
- Separate catering / kitchen facility to provide pure vegetarian food to the residents at their bedside itself.
- Laundry facilities are available to reach the residents requirements.
- Physician and **Neuro physician** consultation.
- Trained and qualified nursing staff round the clock.
- Patient Care taker will available for **24 hours** in order to give full care to the patient.
- Speciality Consultation & Physiotherapy at bedside.

Deepashri Oldage Home with Rehabilitation Center

This center was established on **20th September 2015** under CADMS Trust. It is located adjacent to National Hill view School and is a **20-bedded** facility. The garden in the premise is an excellent option for patients to relax and use as a sit out.

The center has only private and semi-private rooms with TV, attached toilet, wardrobes, separate kitchen, dining hall etc.

This center can accommodate all **old-age groups (except bedridden)** with or without medical conditions who can manage with basic assistance for their daily day-to-day activities. Both boarding, lodging facility, vegetarian diet, laundry, Nursing & Attendant care, Physiotherapy, Doctor visit and counseling are provided to all the residents. The residents **can feel homely atmosphere**.
